Lifetime Guarantee

Why Choose EnduraTech uPVC Fencing?

- Totally Maintenance Free—No Painting or Varnishing
- UV Resistant to the harsh SA Sun
- Full Lifetime International Guarantee
- Long-Term Cost Saving over Timber & Wood Alternative Products.
- Cost Effective when compared with Brick Walling and/or Steel Palisade.
- Environmentally Friendly and Recyclable
- Easy and Quick Installation
- Strong and Durable Product
- No Need for Trenching and Foundations
- Consistent Quality of Material & Product
- Custom Designs & Sizes at no extra cost.
- Unlikely to be Chewed by Horses and Pets, due to the No-Taste factor of uPVC
- No Nails, Staples, Wire or Screws
- Easily repaired or replaced in the event of damage to the Fence
- Impervious to insects & termites.
- Fire & Flame retarding, and self-extinguishing.
- Strengthening of Posts & Rails using Aluminium profiles.
